Baby Dedication Sabbath 24th November

Health and Safety at home

We often think of health and safety in terms of work. However, we really need to begin thinking of health and safety at home.

Home should be the place where we feel safe. However, that assumption can create the environment where accidents can happen.

Given that each year more accidents and injuries occur in the home than anywhere else, we need to begin to be more aware of how we keep ourselves and our families safe at home. Please let us think twice about any home activity and ask ourselves, is this safe, am I safe, are others safe.

As God's children let us take some time to increase our safety at home because we are worth it.

Any further questions contact the Pastor.

Thought For The Day

“Come now, you rich, weep and howl for your miseries that are coming upon you!”

James 5:1 (NKJV)

This Scriptures describe the condition of the world just before Christ's second coming.

James the apostle pictures the greed and oppression that will prevail. . . James 5:1-6.

This is a picture of what exists today. By every species of oppression and extortion, men are piling up colossal fortunes, while the cries of starving humanity are coming up before God.

“Christ's Object Lessons” P. 170

“Greed is not a financial issue. It's a heart issue.”

Andy Stanley

“Brethren, why so many meetings with our fellow men and so few meetings with God?”

Andrew Bonar

“For if you forgive others their trespasses, your heavenly Father will also forgive you, but if you do not forgive others their trespasses, neither will your Father forgive your trespasses.”

Matthew 6:14-15 (TESV)

“I have problems flown in fresh daily wherever I am”

Richard Lewis
