Thought For the Day

“Faith without ethical consequences is a lie. God does not need our sacrifices but he has, nevertheless, appointed a representative to receive them, namely our neighbour. The neighbour always represents the invisible Christ”

J. S. Whale

“The purpose of these laws is to cause you, your sons, and your grandsons to reverence the Lord your God by obeying all of His instructions as long as you live; if you do, you will have long, prosperous years ahead of you”

Deuteronomy 6:2 The Living Bible

“The church is a hospital for sinners,
not a rest home for saints”

Church sign

**Over 90% of those who
identify themselves as
“Christian” admit they
have never read the
entire bible...**

**which
ironically is the
way you become
an atheist.**
