## Water For Kabanana, Zambia

Recently we saw a short video clip about the efforts ADRA are making to supply clean drinking water for the people of the dry Gwembe Valley region in Southern Zambia.

Climate change has led to a persistent drought in this region of southern Zambia. “We are raising £10,000 this Christmas to help Kabanana village to get access to clean water”.

**This appeal closes on 31<sup>st</sup> January 2020**

If you wish to make a donation please click on the link below and follow the instructions for making payments on line - it is so very simply to do.

<https://www.justgiving.com/campaign/kabanana>

**Please do not send money via the Conference as it will take too long to reach the people who desperately need this water.**

## Pr Roy Hulbert

It is with sadness that we report the death of Pastor Roy Hulbert who died peacefully in his hospital bed on Wednesday evening, 15<sup>th</sup> January 2020.

Gordon wrote: “Dad was the last of his generation of Hulberts and took a small amount of pleasure from that fact, bless him. Please spare a thought for him and remember the happy times you spent with him and Mum. He was a good dad, husband and minister”.

Let us remember Gordon and his family in our prayers. But celebrate that in the great reunion with Jesus all the suffering of this life will be amply compensated for. Peacefully at rest.

Further details to follow.
